PRESTIGE TRAINING AT RICHMARK FARM

Camps are designed for Introductory, Beg. Novice & Novice Level Event riders with a Level 3 U.S. Eventing Association certified head instructor, Jim Moore, to accommodate the different skill sets. Jim holds a B.S. in Equine Science, is a Graduate "A" U.S. Pony Clubber, and has ridden Internationally Advanced 3-Star! Other instructors will be announced on website as Camps fill.

At Richmark Farm we pride ourselves in hosting a camp that will be remembered for a lifetime!

With safety being our number one concern, we base our practices under the U.S. Pony Club standards. We prepare you with skills to compete in Eventing successfully. Our Junior camp is from 9-4 p.m. daily with before and after care provided (minimal charge). Both Camps include daily riding lessons in the Eventing disciplines of Dressage, Cross-Country & Show Jumping; as well as daily horse management lectures such as Veterinary & Farrier care. The last day of Junior Camp is "Friends and Family Day!" where Campers will perform an "Exhibition of Eventing!" for everyone at 2 p.m., and Adult Camp will perform in a schooling Combined Test! Other activities in the Junior Camp are swimming, volleyball, a field trip to Messick's Farm and horse games on and off the horse! In Junior Camp, all ages from 10-17 are welcome. All campers in both camps need to meet experience of Intermediate or Advanced Level by our Riding School standards as seen at www.prestigettraining.com.
