He started his make over as a competitive event horse with 7 USEA Beg. Novice Events in 2017! He placed in every event including 1st Full Moon, 2nd Olney, and 4th Marlborough. He is a true higher level prospect that impresses with his dressage movement, his incredible looks, & big jump! Very easy, safe. AR/YR/Junior mount or Professional prospect. Same at shows as he is at home. Price will continue to increase later this Spring. Great opportunity to get a quality young "trained" horse with very low miles!
